

Citrus All-Purpose Cleaner

For Quarts:

An excellent formulation that quickly removes dirt, grease and grime while leaving the surface film free. Excellent for use on floors, walls, counters, equipment and painted areas. Cleans and deodorizes all washable surfaces. Phosphate-free and leaves a pleasant citrus scent.

U.S. Patent No. 6,037,319

How to Use

Add one pak to one quart of warm water. Shake to mix. Spray on surface to be cleaned. Wipe off excess product with a clean, dry paper towel or lint-free cloth. For heavier accumulations of dirt, grease and grime, use two paks per quart.

Where to Use

A true all purpose cleaner. Citrus All Purpose Cleaner can be used on all surfaces for any job.

Technical Data

Pak Size: 12 Grams

Solubility in Water: Complete

pH at Use Dilution: 8.5 ± 0.5
